

# ICE CREAM PARLOUR

NEW MOTHERS' SUPPORT GROUP

Est. 1994

# NMSG

Meet • Support • Play

## You will need:

- moon sand (tutorial under the member's section on our website)
- rainbow rice for sprinkles (tutorial under the member's section on our website)
- pom poms
- scoops, spoons
- bowls, cones
- large tray

## TOP TIP

Use food colouring in the moon sand for different flavours of icecream

First make up the moon sand and rainbow rice (both tutorials are under our member's section of the website. The moon sand will act as the icecream, it's a great base as it holds it's shape well. The rainbow rice will act as the sprinkles and the poms poms as cherries. Fill the tray with moon sand, lay out the tools and the toppings in bowls and get making!
